

LAPLAND HOTELS SAAGA

Lapland Hotels Saaga is called one of the most versatile hotels in Lapland, as it combines a magnificent scenery and diverse accommodation choices with excellent location, all right in the heart of Sport Resort Ylläs at Ylläsjärvi. The range of hotel services includes, for example, Ylläs Wellness treatments and a gym located close to the spa facilities. The restaurant world is full of delicious choices, and our four conference venues and the fell scenery create a versatile setting for active meetings.
