SKY OUNASVAARA

Lapland Hotels Sky Ounasvaara is located in the middle of a landscape that opens to the horizon, snow-burdened trees, rugged rocks and the light of the nightless night. The spectacular new rooms at Lapland Hotels Sky Ounasvaara have unobstructed views to a snow burdened nature or a forest landscape coloured by the summer sun.

The hotel rooms combine the high-quality materials with Northern harmony and well-being. More than half of the rooms have saunas, as the relaxing power of the sauna is an important part of Nordic wellness, which we also want to offer to our guests. Our restaurant Sky Kitchen & View provides a glorious scenery, international tastes and Lappish delicacies made from local products. The hotel restaurant Sky Kitchen & View has been known as one of the best restaurants in Finland for many years.
