

SNOWVILLAGE

LAPLAND HOTELS

The SnowVillage is a magical world of snow and ice. Lapland Hotels SnowVillage is located in Lainio, 30 kilometres from Kittilä Airport, and only a short drive from Levi and Ylläs. More than 20 million kilos of snow and around 350 000 kilos of crystal-clear natural ice are used to build the spectacular Lapland Hotels SnowVillage. Each year, Lainio serves as the location for this unique icy spectacle that covers almost two hectares and provides a magnificent combination of hotel rooms, suites and ice sculptures, without forgetting the Ice Restaurant and Ice Bar.

ACCOMMODATION CHOICES

Snow suites for 2-4 persons

- The snow hotel has artistically decorated suites for two and four persons. There are also warm facilities in the snow hotel for the visitors' convenience. These facilities hold the sauna, showers, bathrooms, a large living area with a fireplace, and beds in case you get too cold.
- The uniquely decorated Lapland Hotels SnowVillage snow suite gives you a warm sleep in a high-quality sleeping bag. The room is made entirely out of snow and the bed is decorated with an ice frame. The snow suite price includes a high-quality thermal sleeping bag, a guided tour of Lapland Hotels SnowVillage, stay instructions and an inner sleeping bag made of fleece, the possibility to use indoor showers and sanitary facilities, a wake-up call with hot juice and a breakfast at the log restaurant, and a diploma for spending the night in a snow suite.

8 cabins for 2-6 persons

- The cosy cabins are located near the services of Lapland Hotels SnowVillage. The Log restaurant and different programme services, such as snowmobile and husky safaris, can be found near the hotel. The cabins are close to a snowmobile route and skiing tracks. The closest grocery store is in Ylläsjärvi, 15 kilometres from the cabins. Ylläs Ski Resort is approximately 20 kilometres away.
- For more information on the equipment level of the cabins, see laplandhotels.com/snowvillage
