

### OUNASVAARA – CROSS-COUNTRY SKIING IN SANTA’S TOWN

The Ounasvaara ski centre is located close the Rovaniemi city center, on the north slope of Ounasvaara, which corresponds to a small fell. You can reach it in ten minutes by car. The city center offers possibilities for downhill skiing, snowboarding, snowshoeing, cross-country skiing or simply for enjoying the relaxing atmosphere.

### DOWNHILL AND CROSS-COUNTRY SKIING

The slopes in Ounasvaara ski centre are perfect for both beginners and more advanced skiers. The centre also has the popular Rendi’s Snow World for skiing beginners. For cross-country skiers, the skiing centre offers 100 km of trails - they are a wonderful part of the 200-kilometer trail network of the city. When the first snow falls early at the turn of October-November, the cross-country and downhill season starts. With the Ounasvaara pass, you can also ski in Luosto, Olos and Pallas.
