MEETING AND EVENT VENUES

Located on the 5th floor of Lapland Hotels Arena, the meeting and event facility Enchantery is designed to help create the most enchanting events. They can be powered by events in the Nokia Arena or be their own attraction. All of this is topped off with versatile and combinable spaces, the opportunity to relax in the sauna and the unique moments offered by the restaurant.

Our four fully equipped meeting rooms offer a unique meeting experience. These technical, state-of-the-art spaces are visually and acoustically the most enchanting in the city. The rooms are built in a way that allows them to be easily combined, making it possible to create a space that fits your needs exactly.

THE MOST UNIQUE BOX SEATS IN THE WORLD

The brand new boxes at Lapland Hotels Arena are unique in every way. Our boxes offer a unique experience that is rewarded by immersing yourself in the moment. The boxes are suited for events of 1-12 people, depending on the space. The largest, designed for 12 people, comprises two saunas and balconies that make it possible to view the Nokia Arena's events and a living room style space with a large table and ample seating.

NORTHERN FLAVORS IN THE RESTAURANT AND ROOFTOP TERRACE

The restaurant Saivo relies heavily on a northern concept of food, providing much-appreciated atmosphere for events. Joy and respect for northern food spills over from the kitchen to the dining room, the bar and all the way to the lounge.

To experience the modern northern atmosphere, head to the 12th floor, where you can find the rooftop terrace Laawu, its kitchen and bar as well as our balmy sauna oasis. Tuohita private sauna with its outdoor hot tub and panorama cabinet lend themselves to raising private events to a whole new class of its own.
